Career Objective

Motivated AI/ML enthusiast preparing for B.Tech in Artificial Intelligence & Machine Learning. Passionate about machine learning, data analysis, and real-world AI projects.

Education

Class 12 (Non■Medical) — Physics, Chemistry, Mathematics
Expected B.Tech AI/ML admission — CGC Jhanjeri

Skills

Python, NumPy, Pandas, Matplotlib, Machine Learning Basics, Git & GitHub

Projects

Handwritten Digit Classification (MNIST): Built ML model, visualized dataset, achieved ~92% accuracy.

Interests

Artificial Intelligence, Astronomy, ML Projects, Tech Startups
